Show What You Got with Wireless Projection Feature

Just bring your own smart phone, tablet, or laptop PC to instantly mirror what is shown on your device to the projection screen.

*Inserting the bundled wireless dongle is required to use the wireless projection feature.

Hold Meetings without a Computer

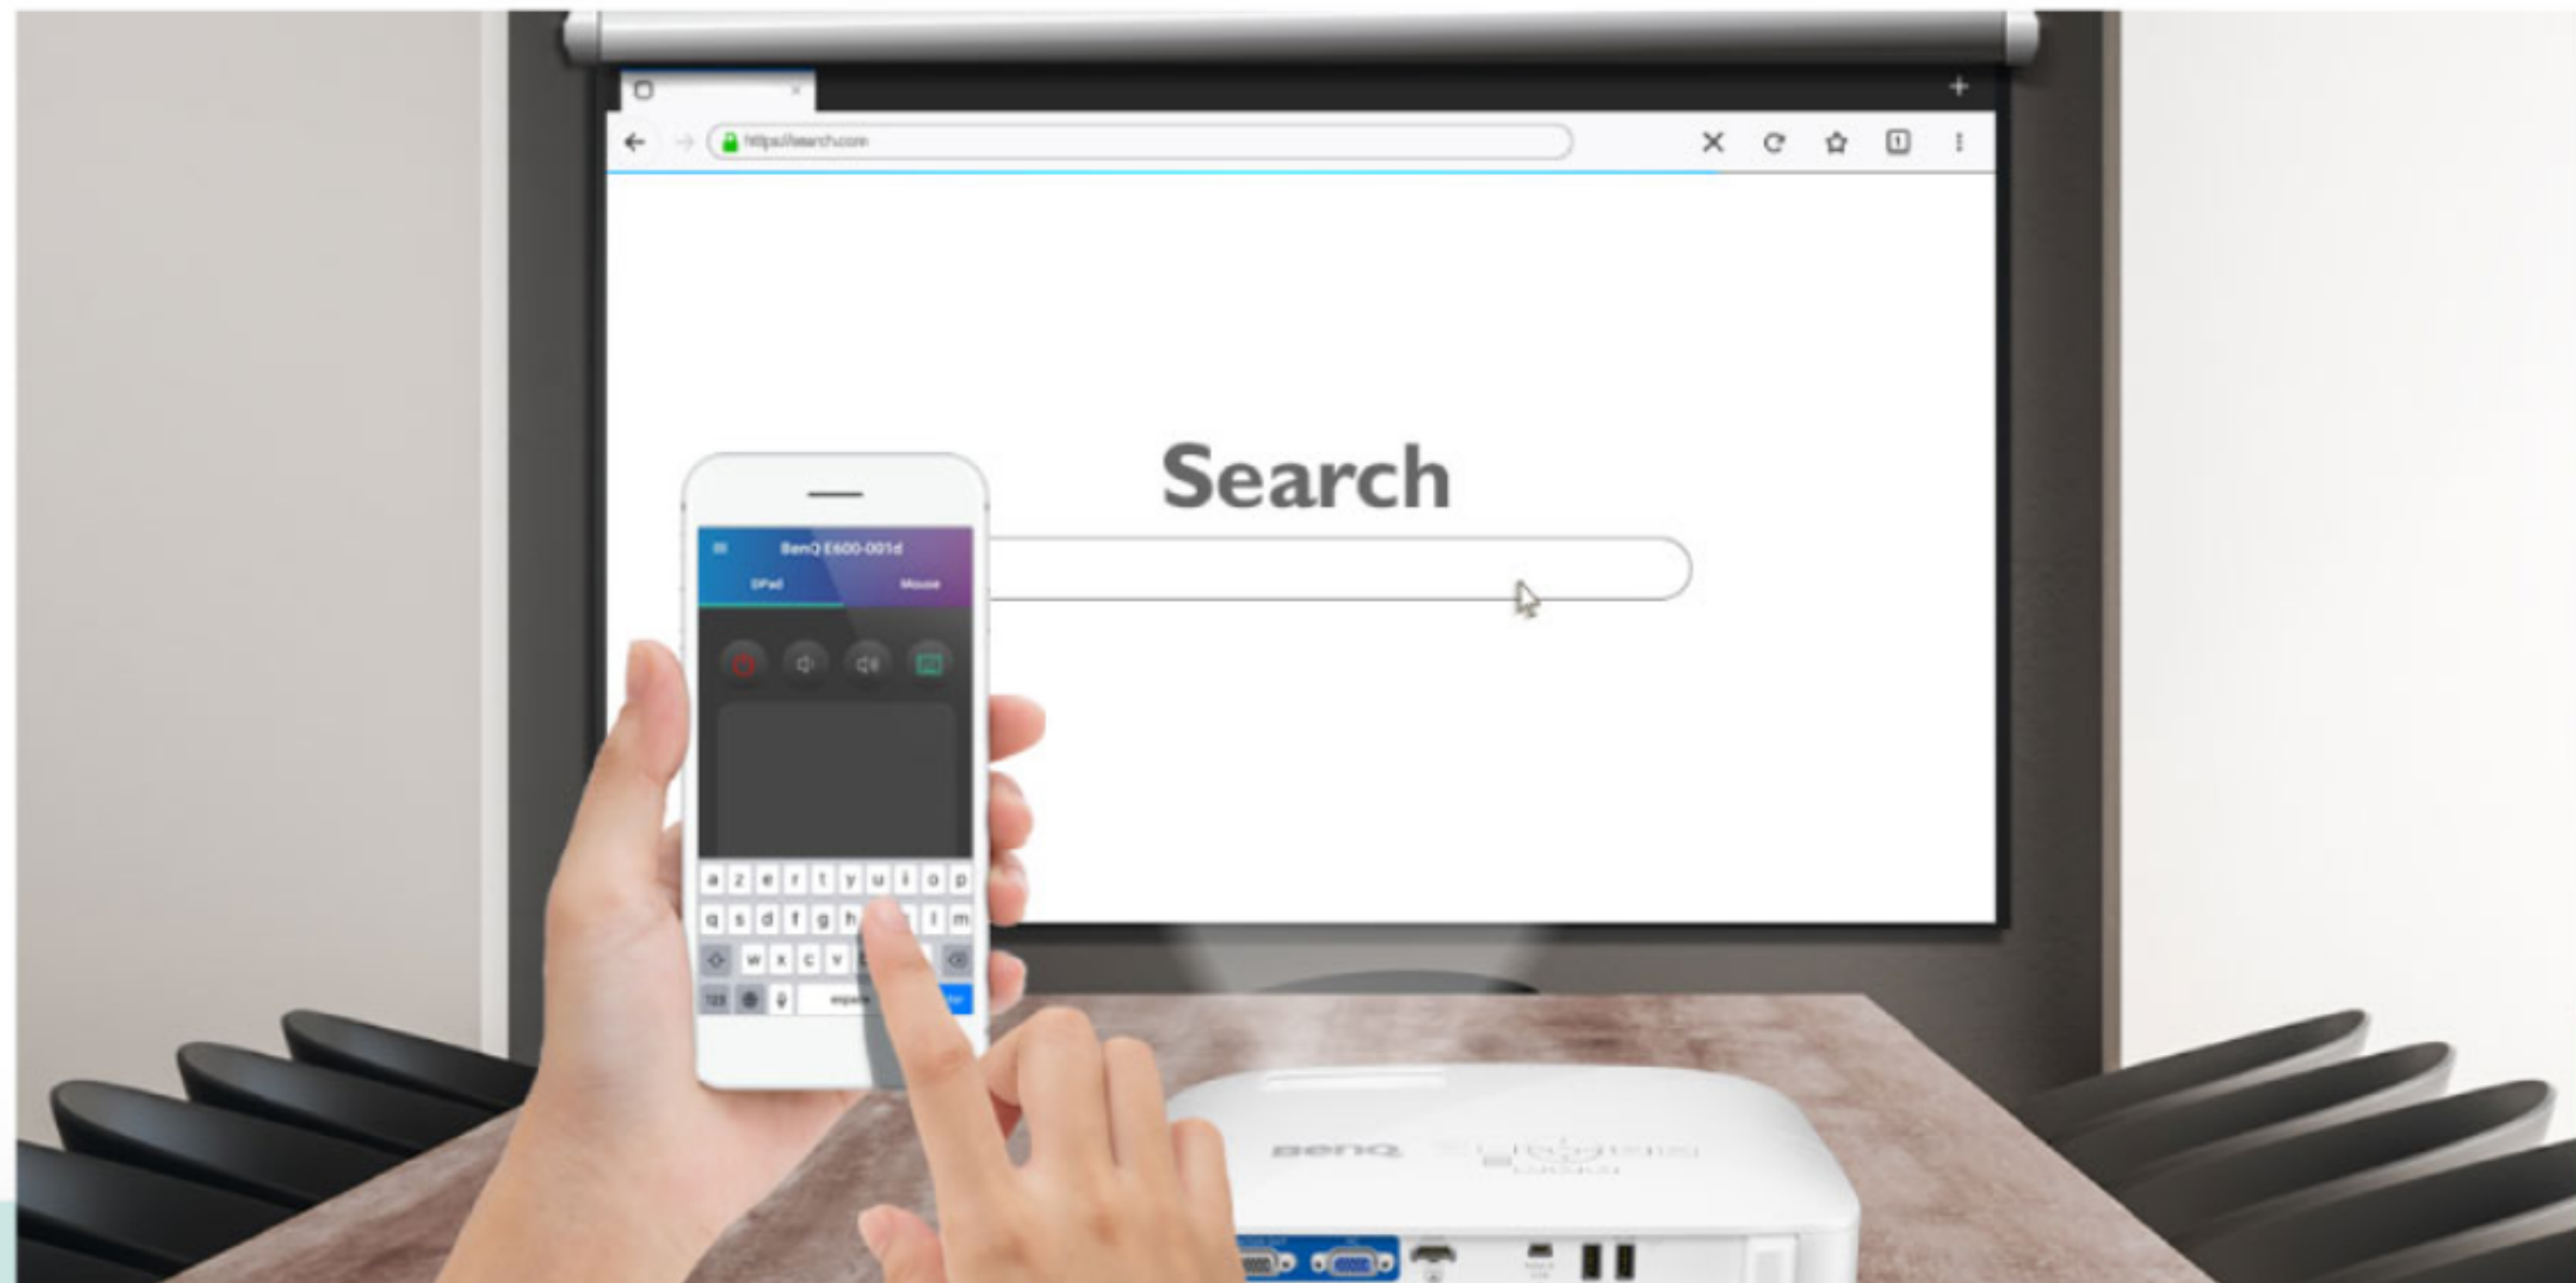

USB Type-A port allows you to easily project images or documents directly onto the screen without the need for a PC.

Complete Your Tasks with Apps

With Blizz, online meeting solution for entrepreneurs, you can start a video conference anytime with just one click.

Start Meetings without Wait

BenQ Smart Control quickly turns your smartphone into a smart remote control, allowing you to lead a smooth meeting and finish your tasks on the spot.
